

## THE LEADING PROVIDER OF SPECIALIST TRACING SERVICES

### What we do..

Using our dedicated, bespoke resources and our 16 years experience in this field, we provide a professional, fully tiered tracing service from automated desk top enquiry to full field investigation, for the locating of absconding persons and commercial organisations.

Datatrace UK is committed to forging long-term strategic partnerships, delivering industry leading levels of customer service, and providing our clients with a comprehensive tracing service that is second to none in terms of both performance and our competitive rates.

### About us...

Established in 1991 Datatrace UK has grown to become one of the most respected tracing agencies in the United Kingdom.

Utilising over 40 years collective management experience in tracing, Datatrace UK has gained and maintained clients in Local Government, the Credit/Finance sector, and the Public Utility industries. Datatrace UK acts as a trusted outsource partner to some of the largest Debt Collection Agencies in the United Kingdom.

We pride ourselves on the quality of our people and our work, and are committed to service excellence & maintaining the highest standards for our clients.

- + results driven
- + dedicated team
- + proven processes
- + no trace no fee
- + fully compliant

### Code of Practice...

At Datatrace UK we view our operation as being an extension of our client's internal procedures. With this in mind we consistently maintain a professional approach. We know the importance of upholding our client's reputation and accordingly any activities undertaken on their behalf are handled in such a way that safeguards their company image.

Datatrace UK has been a full member of the CSA since 1998 and as such upholds their Code of Practice. We are always conscious of the implications regarding the Data Protection Act 1998 and are registered with the Office of Fair Trading and The Information Commissioner's Office.

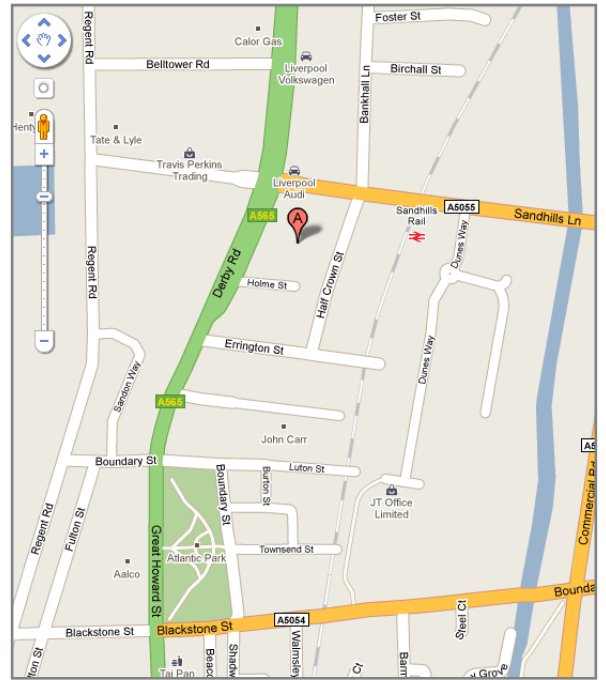

Consumer Credit Licence No 451924  
Data Protection No Z5855273

# Clients & Industry Partners..

The evolution of Datatrace UK has been driven by the requirements of our major clients who rightly demand the highest level of service at reasonable cost. Our wide experience in working with these clients has uniquely positioned our firm to service the specific needs of large organisations, enabling us to deal with large volume caseload, whilst still retaining our flexibility and commitment to personal service.
